Robert Albrecht
 ralbrecht3@yahoo.com
 443-504-9599

COSTS

\$375.00/person
Includes lunch
 Additional Fees:
 REGLOGIC© \$55.00*

Developed by the U.S. Department of Labor to provide construction workers, supervisors, and other personnel responsible for construction activities with an awareness of construction health and safety concerns in the construction industry. All attendees will become familiar with reading and using the OSHA 29CFR 1926 Construction Standards. Other OSHA related regulations will also be discussed. Fire and Life Safety Training, including hands-on fire extinguisher training and/or High Risk Operating Room Fire Prevention Training. This training will be offered at the clients facility and is available by appointment in the mid-Atlantic region. Our trainers have over 20 years of fire and life safety experience. We will also perform live fire scenarios when allowed by the Authority Having Jurisdiction (local fire department).

Students attending all 2 days and completing the course successfully will receive OSHA Course Completion Cards issued by the OSHA Training Institute.

*Hard copies of REGLOGIC will be available for students and purchase of the book recommended but not required.

Please note - Space is limited and all registrations will be on a "first come, first served" basis.

Cancellations must be received by April 20, 2015.

ABOUT THE INSTRUCTOR

Robert Albrecht, previous Compliance Officer III for Maryland Occupational Safety and Health with over 30 years of experience in large and small scale construction projects will lead this program with hands on safety activities and other professional instructors.
